CONSIDER MISSION STREET

A piece of property purchased now on outer Mission Street is the surest provision you can possibly make for your independence.

San Francisco can only grow southward, and this she is rapidly doing along and on either side of Mission Street. You will never be able to buy as cheaply as you can today. Get up on the Sky-Line Boulevard and size up Mission Street from the west, and see the tremendous back country to Mission Street between Daly City and Colma. Do you realize what this means to Mission Street? Here is an area large enough to support over 100,000 and will supply Mission Street with thousands of shoppers.

Be wise and get out on Mission Street, particularly in Jefferson Park (sales to date over $100,000).

CONSIDER MISSION STREET

A piece of property purchased now on outer Mission Street is the surest provision you can possibly make for your independence.

San Francisco can only grow southward, and this she is rapidly doing along and on either side of Mission Street. You will never be able to buy as cheaply as you can today. Get up on the Sky-Line Boulevard and size up Mission Street from the west, and see the tremendous back country to Mission Street between Daly City and Colma. Do you realize what this means to Mission Street? Here is an area large enough to support over 100,000 and will supply Mission Street with thousands of shoppers.

Be wise and get out on Mission Street, particularly in Jefferson Park (sales to date over $100,000).
